- 10) colourful
- 11) daal bati
- 12) Jaipur, Udaipur, Jodhpur, Jaisalmer

Answer 2:

- 1) Rann of Kachchh: A part of the Thar Desert that gets flooded during the monsoon season but leaves behind salt when the water dries up during winter, thereby forming a salt desert.
- 2) Pink City: The city is so called because all buildings in the old city are built of pink stones.
