Chapter:-1 Tom Sawyer's Toothache

Q.1) Fill in the blanks:-

Tom felt sick on Monday morning.

Tom pretended that he had a sore toe.

Sid was fast asleep and snored on.

Mary got all the thing that Aunt Polly told her to bring to extract Tom's tooth.

Q.2) Answer the following questions.

Q:-1) What did Sid tell Aunt Polly when he went downstairs? How did she react?

Ans:- Sid told Aunt Polly that Tom was dying. With a white face and trembling lips, Aunt Polly ran upstairs to Tom.

Q:-2) When did Tom fell a little foolish? What had Aunt Polly told him to do? Ans:- Tom felt foolish when Aunt Polly laughed a little and then cried a little when Aunt Polly told Tom to shut up and climb out of bed, he realised that she had caught him out in his lie. This made him feel very foolish.

Q.3) What did Aunt Polly decide to told about Tom's tooth?

Ans:- Aunt Polly decided to pull out Tom's tooth.

Q.4) How did Aunt Polly help Tom get rid of his tooth?

Ans:- She tied a silk thread in a loop around Tom's tooth and tied the other end of it to the bedpost. Then she suddenly thrust the chunk of fire almost into his face. He was shocked and pulled himself back and before he realised it ,his tooth was out and hanging at the end of the thread.
