The Noble Nature

A. Complete the following passage about the poem with suitable words.

1. An Oak tree grows for many years . It may be a hundred years old but it falls down like a log in the end when it dies.
2. A lily is small and lives for just a day in May though it was the flower of light
3. The poet means that like an oak tree a person may live for live for a long time but may not have a fruitful life. It is

better to live for a short period of time
like a lily and do something in this life

B. Match the following words taken from the poem with their meanings.

- | | |
|-------------|--------------------------------|
| 1. Bald | A) brief |
| 2. Short | B) Completely free from faults |
| 3. Perfect. | C) Not covered with leaves |
