Picture composition

Composition helps in expressing his views on what is happening in the world around him, besides expressing personal thoughts, feelings and experiences.

Ques 1. Draw or paste the picture and write the composition given below.

A Happy Dream

I had a happy dream last night. Before going to bed, I had been watching a Walt Disney cartoon programme on television and, in my dream, I was actually at Disneyland!

I was overwhelmed with excitement at seeing all the familiar scenes and Disney characters, especially Mickey Mouse,

Donald Duck, Pluto and Snow White. I was indeed thrilled and happy wandering around the 'Fairy Land'.

The children I met there were also friendly. We shared the same joys as we moved around, exploring the magic land. Suddenly, someone tapped me on my shoulder. It turned out to be my mother waking me up to get ready for school! I woke up , wishing I could go back to my dreamland.

Ques 2. Draw or paste the picture and write 10 line about it.
