Chapter- 9 The Treeless Grasslands

C. Answer the questions:

1. What are grasslands?

Grasslands are large plains of grass. They are mostly found in the Temperate Zone.

2. What type of climate do grasslands have?

The climate is warm and dry. Rainfall is moderate and occurs mostly in the summer season.

3. Write the names of some animals found in the prairies.

Bison, prairie dog, prairie chicken and coyote are some animals found in the prairies.
