YOUNG CRUSADERS - INTERACT CLUB

PROJECT : **TREE PLANTATION DRIVE**

Young Crusaders Interact Club took up **Tree Plantation Drive** in the beginning of the session. They procured saplings and medicinal plants and planted them in the school garden. Banners and posters with name and details of the plants were put up in the pots. The club members also created awareness among the students about the importance of trees and the need to preserve environment & ecology. The project was a huge success and empowered the students with sustainable knowledge of plants.

THALASSEMIA AWARENESS PROGRAM BY RTN. DR. TEJINDER SINGH

GTB 3rd Centenarian believed in expanding the knowledge and awareness about diseases and their prolonged.

Thus our Interact Club in association with Rotary Club of Delhi Safdarjung organised an Awareness Program about the deadly disease - Thalassemia on 16th September at 11:30 am for the students of class XI-XII. It was conducted by the recognised speaker and The Face of Thalassemia, Rtn. Dr. Tejinder Singh ji, who explained the causes, symptoms and control of this disease with the help of a video which was followed by an Interactive Quiz.

Thalassemia is an inherited blood disorder characterized by weakness, paleness and slow growth.

Later she convinced that the screening for this is must and urged all to spread the information about Thalassemia to at least ten people.

Our Guest of Honour was **Rtn. Rakesh Kumar**, Past District Interact Advisor who also in his address made them aware of seriousness and sensitivity with which Thalassemia needs to be dealt with.

AWARENESS CAMPAIGN By Young Crusaders Interact Club

“Young Crusaders” - Interact Club of Guru Tegh Bahadur 3rd Centenary Public School has launched Awareness Campaign for ‘Phasing Out, Single Use Plastic’.

They have conducted several activities for massive campaigning which include, pledge taking, poster making, slogan writing, role play, and quiz etc. The posters of Eco-Friendly Alternatives to Plastic have been displayed on all key points in the school.

Young crusaders visited the nearby bastis and interacted with the basti people. They persuaded them to discard plastic and adopt ecofriendly alternatives.

They also identified the issues faced by the people and solved their problems by suggesting alternatives to plastic.

The visit was highly successful and the interactors were able to generate awareness and also highlight the importance of using Eco-friendly alternatives.
