My Favorite Cartoon Character Chota Bheem is my favourite cartoon character. He is a small boy who lives in a village named “Dholakpur”. King Indraverma likes him a lot and he’s friends with all the but he has 6 best friends – Raju, Jaggu, Chutki, Kalia, Dholu and Bholu. Jaggu is a monkey and he has built a tree house for him. He loves all his villagers but he is little bit naughty too. Bheem is very smart and wise, his stories are very exciting. He solves all problems very easily. Bheem likes to eat laddoo. He can fight with thieves very easily. I like Chota Bheem very much and I want to be a good human being like him.
