

Revision Worksheet No 2**Topic: Comprehension Passage**

 **Read the following paragraph and answer the questions that follow:**

Penguins Penguins are among the most popular of all birds. They only live in and around the South Pole and the continent of Antarctica. There are 17 different kinds of penguins and none of them can fly. The largest penguin is called the Emperor Penguin and the smallest kind of penguin is the Little Blue Penguin.

Penguins spend as much as 75% of their time underwater, searching for food in the ocean. When they are in the water, they dive and flap their wings. They are great swimmers and have thick layers of fat to protect them from the bitter cold. Even in their freezing cold conditions, penguins still have to watch out for attackers such as killer whales and seals.
