‘Young Crusaders’ Interact Club of Guru Tegh Bahadur 3rd Centenary Public School has initiated several Community Welfare Projects to nurture ethical values and inculcate a sense of philanthropy among the students.

This year, the whole school contributed and purchased sweaters for the underprivileged children.

On 3rd Dec., 24 Mrs. Manbeen kaur, Principal (Jr. School), 'Young Crusaders' Interact club teachers- in-charge and members, distributed the sweaters to the vulnerable communities of the nearby bastis who lack adequate warm clothing.

They spent some joyous moments with them. It was the most memorable experience which gave them lot of satisfaction.
