

## BE SAFE AND RESPONSIBLE

It is the fundamental right of every child to live with dignity and self - esteem and learn and achieve in a safe and nurturing environment.  
Empowering children with safety skills make them fearless and independent.

Know your primary and travel route to and from school

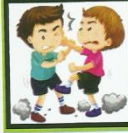

Remember parents' phone number and Address

Avoid Pushing and Shoving

Fighting never solves any problem

There are many other ways to solve problem

"Report to a trusted person if some one is troubling you"

Play,  
Learn  
and  
Grow...  
Together!

Never accept any gift or eatables from strangers.

Inform the teacher about any injury, fight or mishap

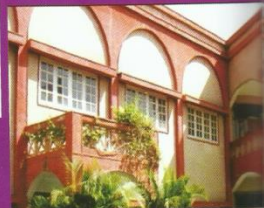

Know the difference between "Good Touch" and "Bad Touch"

Inform school staff about any serious health concern .

THIS SCHOOL IS A ZONE OF PEACE

BE AWARE, ALERT AND ACTIVE

## BE SAFE AND RESPONSIBLE

Learning Safety Skills also reduces the chances of exploitation, injury, victimization and bullying. Let's follow the safety guidelines and strategies and enjoy good inter-personal relations.

### Cyber Safety

- Avoid Chatting with strangers.
- Do not post embarrassing Pictures or information.
- Passwords are your personal property. Never share with any one.

"Never Indulge in physical Bullying - slapping, hitting, choking, punching, kicking, pinching or abusing.

It results in grief and disaster.

Be Cautious not Fearful.

"Maturity comes when you stop making excuses and start making changes."

Accept responsibility for own actions.

Know the difference between " Appropriate and inappropriate relationship"

Never give any personal information or family schedule to any caller.

Respect others to gain respect

Instead of blaming others, correct your own attitude.

BE STRONG, SMART & SAFE
